Internship Evaluation: **Naisha Sahney**

I am pleased to confirm that Naisha completed a 4-week online internship with Podar Enterprise in June 2024 (03rd to 28th June) as part of her Bootcamp program.

During the internship, Naisha had sincerity, eagerness and dedication during interactions with Mentor. The report submitted by Naisha Sahney on the topic of **"New Marketing Techniques : The Art of Storytelling"** was good and focused. It will help us in fulfilling the research requirement.

Over the internship, she clearly demonstrated good research skills and I am sure she would prove to be a valuable resource to the company she joins.

We wish her all the best for the future.
